Collective Worship Policy

Last reviewed: February 2019

Next review: February 2021

Governor oversight: Pastoral Committee

This policy applies to the whole School, including the EYFS and boarders.

Christian worship and fostering a sense of community and spirituality are integral to the ethos and life of Exeter Cathedral School.

The School has its origins in Christian worship, and to this day the magnificent Cathedral continues to play a central role in the lives of pupils and staff at ECS.

Worship and collective stillness are at the heart of the daily rhythm of the School, and gives all members of the School community the opportunity to gather together in stillness, to listen, to reflect, to pray, to focus on God, themselves and the wider community, to adopt an attitude of reverence and worship, and to develop their spirituality, mindfulness and sense of community.

Objectives

We seek to foster a gently-Christian environment in which the values of love, tolerance, acceptance, gentleness and compassion are endorsed and modelled through our daily interactions and in our decision-making.

The School's Statement of Aims

- **We are**

An ancient foundation with traditional values and a modern approach, which recognises and promotes the central importance of the development of character.

A place where children can be children, where learning – in all its forms – is taken seriously, and where each and every child is known and valued as an individual.

A happy and purposeful community where *people* matter.

- **Our aims**

We seek to offer a first-rate all-round educational experience to pupils aged 2½ – 13, where the focus is on developing the whole child. Our job is to work with families to help our pupils acquire the right habits for life.

To do this, we seek to foster a supportive, purposeful, stimulating and gently-Christian environment, in which the following provision to pupils is recognised as being paramount and held in high regard:

Academic rigour

Exceptional pastoral care and pupil wellbeing

Bright and modern facilities

A broad and exciting range of extra-curricular activities

A high-calibre sporting and wellbeing education

A world-class musical education

An unparalleled musical heritage and history

A sense of spirituality, timelessness, and wonder, borne out of our ancient foundations as a 12th century choir school

- **Our Values, Habits and Skills**

The endorsing and upholding of core values; the modelling and promoting of the right habits; and the acquiring and practising of key skills: this is at the heart of our curriculum (both hidden and explicit), our interactions, our decision-making and our expectations.

The following Habits are explicitly promoted and modelled to, and expected of, our pupils and staff:

Pre-Prep Golden Rules	Prep School Habits
We are kind and helpful We are gentle We listen We look after property We are honest We work hard	The habit of hard work The habit of honouring your commitments The habit of having a go and keeping going The habit of taking part The habit of listening The habit of being honest, modest and kind The habit of asking for help The habit of looking after other people The habit of looking after your surroundings The habit of looking after yourself

Pre-Prep Worship

The Pre-Prep gathers for a daily act of worship, usually in the afternoon, meeting either in the Nursery or in classrooms. We gather in Key Stages (EYFS and KS1) as well as the whole of the Pre-Prep.

We have a weekly act of classroom worship which is led by the class teacher and each class develops their own form, style and pattern of worship.

We have assemblies which are led by classes, showcasing their learning, who also lead us in prayer and we close our week with a Celebration assembly, reflecting on the week's themes and celebrating successes.

Pre-Prep worship is led by the Head of Pre-Prep, the Headmaster, members of staff, the School's Chaplain and occasionally a member of the Clergy.

Worship in the Pre-Prep includes listening to reflective music, the lighting of a candle with responses, singing of songs and collective prayers and closing with the saying of the Grace.

At least once a term, usually at a time of a key Christian festival, the Pre-Prep gathers in the Cathedral (Quire, Chapter House, Nave) for an act of worship led by the School's Chaplain, and parents are invited to join us for these times of celebration and reflection.

Prep School Worship

A Morning Worship Assembly is held most mornings either in the Cathedral Quire or the Chapter House. The whole Prep School gathers once a week in an assembly led by the Headmaster, and pupils and staff from Lower Years and Upper Years attend their own sectional assembly during the week in the Chapter House. Prep School hymn practice also takes place in the Chapter House each week. One day a week the pupils meet as forms in the School to receive Wellbeing Sessions. The School's Chaplain, a member of the Clergy, the School's Independent Listener, or a member of the School staff may be involved in leading worship assembly. Worship in the Chapter House/Cathedral includes the lighting of a candle, the singing of a hymn, collective prayers, as well as social/moral/spiritual/cultural talk, and can involve stories from the Old and New Testaments. It also offers an opportunity to share news within the School community and to celebrate achievements, both individual and corporate. The children participate fully in worship sessions.

The School (often involving Pre-Prep) joins together in the Cathedral (Nave, Quire) for a School service to mark key Christian festivals or the start/end of term. This is often a celebration of the Eucharist. The children regularly take part in planning and leading the services, with the support of the Chaplain and Heads of Section/Tutors, and a member of the clergy. These services explore liturgy using form, words, symbolic action, music and art. The Choristers may sing at these services. School services may mark a special day in the church calendar or may mark the start or end of a term. Our worship is enhanced by our intimate links with the Cathedral and by the presence of clergy and choristers, and by the invitation we extend to parents and visitors to join us in our worship.

Boarders

Boarders in over the weekend (who are not singing the services) may attend Eucharist on a Sunday morning. They are accompanied by the duty member of staff.

Boarders wishing to attend other Cathedral services (eg Evensong) can make a request of the Housemaster (or Boarding House staff member) and this can usually be accommodated.

Baptism and Confirmation

Pupils have the opportunity to be prepared for Baptism and for Confirmation. Preparation is organized jointly between the School's Chaplain and the Cathedral's Canon Precentor.

Admissions

Prospective parents are made fully aware of the gently-Christian ethos of the School and of the worship which is so central to ECS. The School is able to make alternative arrangements for those children whose parents request that they be withdrawn from acts of worship in accordance with its responsibilities under the Schools Standards and Framework Act 1998 (and the 1944 Education Act).

The Headmaster, the Head of Pre-Prep and the School Chaplain are responsible for the spiritual life of the School and, along with the Deputy Heads and the Heads of Section, have oversight of the day-to-day worship. The Job Descriptions of members of staff states that candidates are expected to be 'in sympathy' with the Christian ethos of the School.
