Exeter Cathedral School is an Ancient foundation with Traditional values and a Modern approach.

The School seeks to:

- Be a happy and purposeful community where *people* matter.
- Promote the central importance of the development of character.
- Be a place where children can be children, where learning – in all its forms – is taken seriously, and where each and every child is known and valued as an individual.
- Offer a first-rate all-round educational experience where the focus is on developing the whole child. Our job is to work with families to help our pupils acquire the right habits for life.
- Foster a supportive, purposeful, stimulating and gently-Christian environment, in which the following provision to pupils is recognised as being paramount and held in high regard:

Academic rigour

Exceptional pastoral care and pupil wellbeing

Bright and modern facilities

A broad and exciting range of extra-curricular activities

A high-calibre sporting and wellbeing education

A world-class musical education

An unparalleled musical heritage and history

A sense of spirituality, timelessness, and wonder, borne out of our ancient foundations as a 12th century choir school

Our Values, Habits and Skills

The endorsing and upholding of core values; the modelling and promoting of the right habits; and the acquiring and practising of key skills: this is at the heart of our curriculum (both hidden and explicit), our interactions, our decision-making and our expectations.

The following Habits are explicitly promoted and modelled to, and expected of, our pupils and staff:
